Dear Ties.com

Hi my name is Daquan Britman and I want to personally thank everyone at ties.com for giving us these ties. I want to thank you for recognizing our school and our leadership group The I-Men. We are becoming better young men because of this leadership program it's teaching us how to be strong black men in our community, in our homes and ~~and~~ it's teaching us a great set of values to have in our lifetime

Thank you for these beautiful ties.

Sincerely,

Dear Ties.com

I want to thank you for the very tie I received from you today. Suits and ties are my kind of style. I love to dress up all the time every now and then. This tie is actually the answer to my newest outfit I just got from Macy's online store. This tie will also be a memory of the leadership program that I was apart of. This program has taught me more about accountability, responsibility, and integrity.

I am proud of myself and happy to be apart of this moving program.

Sincerely,

Dibaji Walker

Dear Ties.com

Thankyou for sponsoring us with these
\$100 ties they are some really nice and smooth
looking ties. It really means a lot to us
that you guys took the time out of your day to supply
the I-men leadership group these fancy ties.
I will always remember this moment with my
classmates and friends this day. We usher around
the building and help out with the community
and doing volunteering to earn internship hours
to be able to graduate. Once again thankyou
for what you guys have for Independence
